3. DLSM reserves the right to unilaterally modify, change or terminate this Program or any of the terms and conditions included herein, or any policies it applies in the exercise of its discretion under this Program at any time, without the Participant’s consent.
4. If DLSM reasonably believes you have, or attempted to, whether acting alone or acting in concert, manipulate our promotion program(s), attempted some form of market abuse or market misconduct or taken unfair advantage of us, we may in our sole discretion reject your application to participate or terminate your participation from any of our promotion program(s) and/or remove Credit granted (if any) without prior notice.

C. Credit Information

1. Participants who make their First-Time-Deposit (FTD) during the promotion period no less than the amount required in the above table will receive the corresponding trade credit stated in the table.
2. To be entitled to the Credit, the Participant must make a **First Time Deposit of at least \$100** and maintain a Net Deposit (= Total Deposit – Total Withdrawal) of no less than **\$100** (or equivalent in other currency) into your Participating Account during the Promotion Period. The remaining balance in the Participating Account at the commencement of the Promotional Period will not be counted as Net Deposit under this promotion program.
3. The amount of Proportional Bonus Credit will be calculated manually after you have submitted the application for the Credit AND acknowledge the terms and conditions contained herein. It may take up to three (3) business days for the Credit to be deposited into the Participating Account.
4. The Credit shall form part of the trading account Equity and can only be used as Margin to open and maintain positions. The Credit is not a part of the trading account balance and is displayed in the “Credit” field in the platform.
5. The utilizing margin will first be deducted from funds deposited by the Participant into the trading account prior to the Credit being reduced.
6. Since the Credit is deposited to the trading account as a margin credit, it cannot be used to cover trading losses or any other trading costs. When the equity of the trading account falls below the Credit amount, even though the margin level is still higher than the stop-out level, the stop-out will be triggered, and the trading account status will be changed to “Read Only”.
7. If the Participating Account reaches a negative balance after being stopped out, DLSM has the right to set off the Credit granted against the negative balance.
8. The Credit, whether partially or in its entirety, shall not be internally transferred with any funds, remaining balance, and/or deposits between the Participant’s trading accounts, under any circumstances.

D. Internal Transfers and Withdrawals

1. Internal transfers will be considered as withdrawals within the Promotion Period.
2. Clients are allowed to withdraw at any time during the Promotion Period. However, when a client submits an Internal Transfer or Withdrawal, if the account balance is less than the requirement in the Part. B table after the Internal Transfer or Withdrawal, all the credits will be removed.

E. General Terms

1. DLSM shall not be liable for any loss (including, without limitation, indirect, direct or consequential loss or loss of profit), cost, expense or damage which is suffered or sustained in connection (directly or indirectly) with the use of the Credit Bonus.
2. The Credit will be removed at the two (2) years’ time commencing from the date when the Participant Account has received the Credit. Upon the expiry of the two (2) years period (the ‘Expiry Date’), you will not be able to use the Credit as Margin. DLSM reserves the right to review the case and/or remove the Credit regularly and on the Expiry Date.

3. If the Equity under the Participant's Portal including other non-participating accounts of the Client, falls below \$30 USD (or the equivalent amount in any currency) and has not been active (i.e., has no transaction and trading record) for at least thirty (30) consecutive days, DLSM may remove all Credit under that Participating Account.
